compile systems quickship program

As your business grows, Compile adapts to changes within your workplace and grows with you. Compile’s simplicity and flexibility aim to keep your long-term costs low. It’s the affordable furniture solution to complete your office environment today AND tomorrow without sacrificing quality or beauty.

simply quick

Compile’s Quickship program offers a carefully curated collection of pieces that deliver maximum functionality and value, are easy to specify and install and ship within 10 manufacturing days. Blend Compile panels with Offices to Go height adjustable tables, monitor arms and seating for an even wider array of quick ship planning solutions.

Ideal for workplace, education and healthcare environments, Compile can create a range of planning applications in a palette of bestselling textiles and finishes.

simply simple

Compile panels and universal corner posts ship with pre-assembled “Quick Connect”, which makes it one of the easiest system products to install and reconfigure. Aluminum raceway covers hinge upward and lock in place or can be easily removed providing open access and better protection for power and data in the base of the panel.

simply clean

The Compile system offers a clean appearance from top to bottom. Quickship panels are available in a clean monolithic appearance and utilize aluminum raceway covers that are available with or without knockouts. An innovative worksurface support and overhead storage mounting system eliminates the need for slots in the panel frames, providing a softer visualappearance.

quickship lead times
