

# compile quick ship

## Simply Quick

Compile's Quick Ship program offers a concise, carefully curated collection of pieces that deliver maximum functionality and value, are easy to specify and install and ship within 10 manufacturing days.

Components are available in our bestselling textiles and finishes and are the perfect solution for any environment, saving you time and effort and allowing faster project completion, from development to installation.

## Simply Clean

A simply clean aesthetic. Quick Ship panels are available in a clean monolithic appearance and utilize aluminum raceway covers that are available with or without knockouts. Optional PET Felt panels provide a softer visual aesthetic while easily integrated height adjustable tables add movement throughout the day.

## Simply Simple

Simply create the space you want. Compile panels and universal corner posts ship with pre-assembled “Quick Connect”, which makes it one of the easiest system products to install and reconfigure. Workstations accommodate a range of foot prints and are a flexible solution for your interior.

Compile Quick Ship solutions are durable, flexible and easily reconfigure as your needs change. Dial up or down privacy through a range of panel heights and divider options.

Ideal for workplace, education and healthcare environments, Compile can create a range of planning applications and accommodates stringent cleaning protocols.
