

STACKING OVER PANELS

COMPILE | PRODUCT SHEET

Compile now offers stacking Over Panels to easily increase the height of Compile panels 12", 16" or 24" in additional height. Four simple attachment plates secure the Over Panels to the Compile Panels without extensive installation time required.

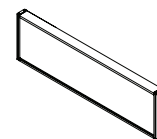

Before

After

FEATURES:

- Modules stack on top of Compile Panels
- Choose from fabric, laminate, write board and glazed
- Heights available in 12" 16" and 24"
