

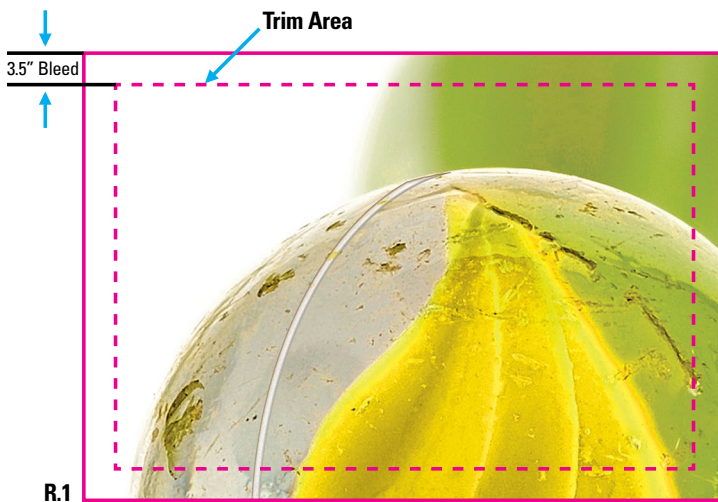

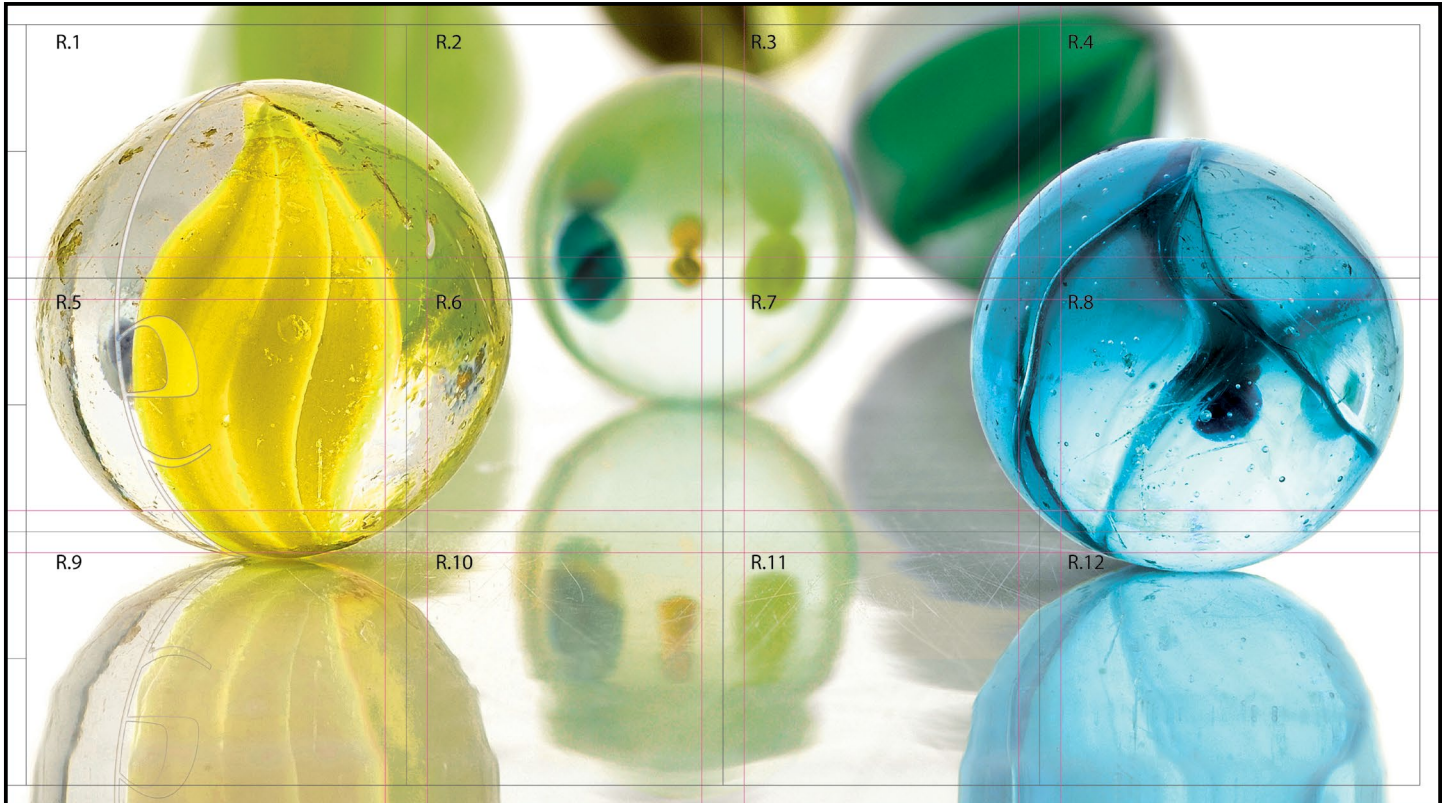

GRAPHIC PANELS

EVOLVE | INSTRUCTIONS & GUIDELINES

STEP BY STEP INSTRUCTIONS

(See top left (panel layout) R.1 cell for layout.)

1. Provide an accurate layout depicting all cells and Evolve divider posts. Provide cell names for each cell needed (see example above).
2. Have your Graphic Design vendor use image editing software (i.e. Photoshop), trim image out of main layout allowing for 3.5" bleed on all four sides to accommodate Evolve divider posts and image shift.

***NOTE:** Files must be professionally prepared with extremely high resolution imagery. Camera phone and/or web images cannot be used.

3. Name all trimmed cells to coordinate with layout provided for installation accuracy. Make sure all images are a minimum of 100 dpi (dots per inch) at 100% size. Can accept files up to 250 MB

***NOTE:** PowerPoint, Word, Publisher, web images, etc. cannot be accepted. Your professional Graphic Design vendor will be able to prepare proper files and upload print-ready files that will not delay your order

Graphic Panel set-up fee \$184.00 net per image.

4. Graphic Panel submittal form must be filled out. Submit graphic to: www.evolvefurnituregroup.com/graphicpanels/
