

1" LAMINATE END PANELS

EVOLVE | PRODUCT SHEET

1" Laminate Panels provides a clean and attractive appearance by reducing the planning creep, which is created by using a standard panel. The 1" Laminate End Panels and Middle Panels are available with an optional accessory rail to help keep clutter off the desk.

FEATURES:

- 1" Laminate End Panel attaches to an end of run connector, Left Hand or Right Hand available.
- 1" Laminate Middle Panel attaches to a Double Inline connector.
- Available with or without accessory rail.
- Finished in thermally Fused Laminate.
- Includes threaded metal inserts and support brackets to attach a worksurface on one side.
- 1" Laminate panels include leveling glides.
- If wood grain is selected, grain runs vertically.
