"It is good to know that we are making a sustainable, earth-friendly decision."

- Cindy Owen, Executive Coordinator, FLEETCOR

FLEETCOR is a global leader in the business of providing fleet, fueling and specialized payment solutions that keep businesses throughout the world moving forward. To better keep their employees moving forward in managing corporate relationships with FLEETCOR's 800+ partners, the company selected The Evolve Furniture Group to furnish its new corporate headquarters in Atlanta, GA.

Product design, quality and price were paramount to FLEETCOR in their decision-making process, however the solution also needed to be functional and sustainable. These parameters led the FLEETCOR team to The Evolve Furniture Group and its versatility to provide the best product at the right price.

▲ The Evolve panel system, installed with Evolve storage towers, made efficient use of the space and allowed FLEETCOR to install more workstations where space was at a premium.

design details

- 230 total workstations were installed featuring Evolve:
 - Panel systems
 - Overhead storage units
 - Storage pedestals
 - Storage towers
 - Worksurfaces
 - Under shelf task lighting
 - Panel mounted privacy glass
- Global's Graphic Mesh seating is shown at each workstation to complement the Evolve product

design impact

For the FLEETCOR team tasked with this project, the product feature that had a significant impact was the ability to use 180-degree corner workstations.

In addition, FLEETCOR reports that the design has had a significant, positive impact on employee morale.
